

THE INSTITUTE OF PAPER CHEMISTRY  
APPLETON, WISCONSIN

January 21, 1948

Dear Dr. Lederberg:

At the present time, I have no official commitments except for Saturday mornings. Most any time for your visit will be suitable, if you give me a little advance notice.

The bus is the best transportation between Madison and Appleton. If you let me know the time of your arrival, I will try to meet you at the station.

I am looking forward to meeting you.

Sincerely yours,

  
Ward Pigman  
Research Associate

Dr. Joshua Lederberg  
The University of Wisconsin  
College of Agriculture  
Department of Genetics  
Madison 6, Wisconsin
